Called to Be Apostles - Streaming Video

This is a 10 week small group series that answers the who, what, when, where and why of Catholic evangelization. The material is compelling; it calls all Catholics to a better understanding of evangelization in light of the Vatican's view that evangelization is at the very heart of the mission of the Church. This is a great toolkit for parish growth, and is ideal for individual or small group study. The weekly group gatherings have a one-hour workshop format, consisting of a 7-15 minute video teaching, followed by a general or small group discussion. Father Sean Wegner of the Companions of the Cross leads the line-up of speakers.

The content is completely Catholic, drawing extensively on the encyclicals of Pope John Paul the Great and Pope Paul IV. Highly recommended for any Catholic pastor or layleader who wants to breathe new life into their parish community!
