A New Catholic Bible Study Focusing on the Holy Spirit

Living in the Power of the Holy Spirit enables participants to develop an understanding of the Holy Spirit's presence and influence in our lives, and an appreciation for the fruit and gifts he makes available to us.

“The Holy Spirit is the fire of Jesus. The Spirit, the first gift of the risen Christ to his people, gives us both the ability to receive the Gospel of Jesus and, in response, the power to proclaim it. Without the Holy Spirit, evangelization simply cannot occur. The Spirit brings about evangelization in the life of the Church and in the Church’s sharing the Gospel with others.”\* This small group bible study enables adults to explore who the Holy Spirit is and what his role is in our lives and the life of the Church. It is in learning to yield to his influence in our life that our faith becomes alive.

*\*Go and Make Disciples: A National Plan and Strategy for Catholic Evangelization in the United States*

As someone who preaches all over America on devotion to the Holy Spirit and especially on the role of the Holy Spirit in evangelization, I want to enthusiastically recommend Living in the Power of the Holy Spirit: A Catholic Bible Study, by Rich Cleveland. Rich makes the fruits and gifts of the Spirit of Christ truly come alive for the individual reader and faith-sharing group. I would be happy to promote it during my parish mission, retreats, and conferences.

In his Spirit,  
Father Bruce Nieli, C.S.P.  
Paulist Preacher, and  
Former Director for Evangelization,  
United States Conference of Catholic Bishops
